

# Arena Score Clock For Sale

Winnipeg Enterprises Corporation operates the Winnipeg Arena located in Winnipeg, Manitoba, Canada and is seeking interested parties to purchase its Centre hung Score Clock with matrix display and backlit corporate ad display areas.

The clock was purchased new from Whiteway Sign in 1985. It measures approximately 24' x 24' x 20'h. Its approximate weight is 25,000 lbs. It contains an incandescent matrix display that measures approximately 16'w x 12'h on all four (4) sides. A Whiteway Sign operating program with a QNX operating system that controls the matrix. Included in the sale is a 5-8 year supply stock of replacement bulbs for the matrix display.

Scoring and numeric display sections were upgraded in 2001 to new Daktronics LED technology that include an All Sport 5000 controller.

The score Clock is available in November of 2004.

We may consider selling LED scoring and matrix components separately
