

Arena Seating For Sale

Winnipeg Enterprises Corporation operates the Winnipeg Arena located in Winnipeg, Manitoba, Canada. We are seeking interested parties to purchase our indoor seating inventory. There are six different types of seating; new theatre style plastic with padded cloth, plastic with padded vinyl seat, wood with padded vinyl seat, all wood seat, Hussey plastic with padded cloth seat and 4 sections of retractable bleachers with padded cloth seats.

1) Theatre Style Seat

There are **1,133** burgundy/blue and **185** blue/blue Irwin Citation seats used in the exclusive club area and private suites in our Arena. This seating was purchased in 1997 and is in excellent condition. These seats all have riser mount supports for easy installation and cleaning, with plastic shells and padded cloth seat and back, and have interchangeable number plates that are pop riveted to the seats. The armrest also includes a drink holder.

2) Plastic with Padded Vinyl Seat

There are approximately **3,500** red and **500** blue plastic seats with padded vinyl seats used in the lower bowl and upper decks of Winnipeg Arena. These seats are approximately 30 years old and are in good to very good condition. 95% of these seats have riser mount supports for easy installation and cleaning, with plastic shells and padded vinyl seats. Numbering plates can be interchanged.

3) Wood with Padded Vinyl Seats

There are approximately **1,000** red and **250** blue wooden seats with padded vinyl seats used in the main Arena bowl. These seats are approximately 50 years old and are in good condition. Approximately 95% of these seats have riser mount supports for easy installation cleaning with wood backs and padded vinyl covered wood seats.

4) Wood Seats

There are approximately **1,400** blue wooden seats used in the main Arena bowl. These seats are approximately 50 years old and are in good condition. Approximately 95% of these seats have riser mount supports for easy installation cleaning with wood backs and wood seats.

5) Hussey Plastic with Padded Cloth

There are approximately **250** Hussey plastic with red padded cloth seats used for the first two rows of the lower bowl. These seats are 30 years old and are in good condition. These seats all have riser mount supports for easy installation and cleaning, with plastic shells and padded cloth seat and back. The seat back and seat pan are interchangeable with the Retractable Bleacher seats and as such could be purchased as replacements for bleachers.

6) Retractable Bleachers

We have 4 sections of retractable bleachers for a total of **194** Hussey plastic with padded cloth seats. The section sizes are 2 at 15' long and 2 at 12' long. They were purchased in 1980 and are in good condition. Included are two spare sections that can be used for spare seating and mechanical parts. Two sections can be used independently creating a bleacher 27' wide or they can be used all together creating a bleacher 54' wide. Also included are moving.

The seating is available November of 2004
